

Bankruptcy Case Opening

This process shows the steps and screens required for attorneys to open a bankruptcy case on CM/ECF. The case is a chapter 13, individual consumer, with deficiencies.

Internet users will access CM/ECF through PACER and will use two different sets of logins and passwords; one for CM/ECF filing and the other for PACER access to queries and reports.

This module will assume that the internet user has accessed the court's web site with their court assigned CM/ECF login and password.

STEP 1 Click on the Bankruptcy hyperlink on the CM/ECF Main Menu Bar. (See Figure 1.)

Figure 1

STEP 2 The **BANKRUPTCY EVENTS** screen displays. (See Figure 2a.)

Figure 2a

NOTE: Because of differences between courts, your actual menu options may vary from this list.

- ◆ For further information on each of these categories, click the **HELP** icon on the CM/ECF Main Menu Bar (the question mark, pictured below). That will bring up a help screen. (See Figure 2b.)

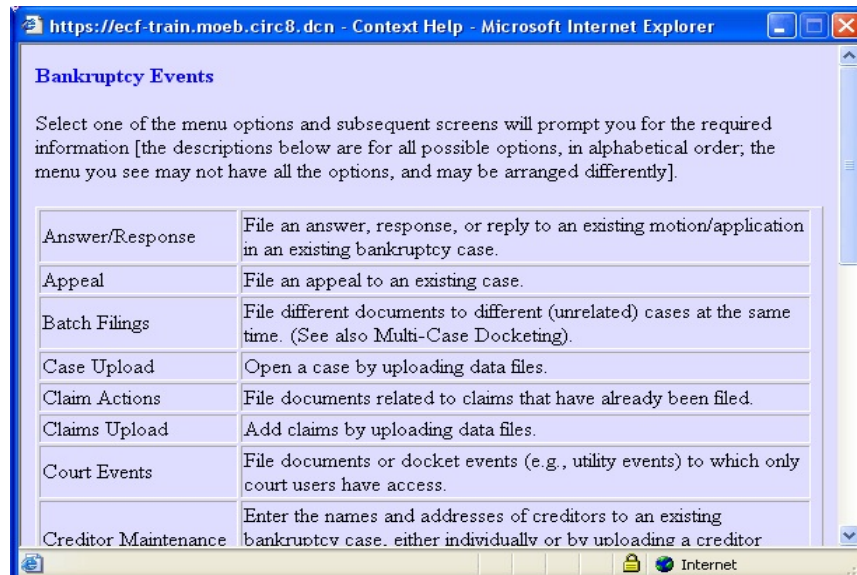

Figure 2b

- ◆ This screen gives you more information about the menu selections. To see information for other options, scroll down using the arrows or scroll bar on the right. (See Figure 2b.)
- ◆ To close this help screen, click on the “X” in the top right corner of the screen, or click on the **[Close]** box at the bottom of the screen. This will return you to the Bankruptcy Events screen. (See Figure 2a.)

STEP 3 At the Bankruptcy Events screen, click on the Open a Voluntary BK Case hyperlink. The Open New Bankruptcy Case screen will display (See Figure 3.)

Open Voluntary Bankruptcy Case

Search for a debtor
 SSN / ITIN Tax ID / EIN
 Last/Business name
 First Name
 Middle Name

Search Clear

Figure 4

- ◆ This screen is for you to enter the parties on the case. Before you add the debtor, or any party, you should search the database to see if that party already exists in the database from another case, to eliminate duplicate records in the system. You can search by Social Security Number, Tax Identification Number, Last Name or Business Name, First Name, or Middle Name.
 - The preferred and most accurate method of searching the database is by Social Security Number.
 - You can enter the last, first, and middle name to search the database. If this is a business filing, enter the first word or significant words of the business name to search. The entire business name is stored in the **Last/Business name** field. The field size is 200 characters.

Search Hints

- Enter one field of data for each search.
- Format Social Security Number or TaxID with hyphens.
- Include punctuation. (Garcia-Carrera)
- Try alternate search clues if your first search is not successful.
- Partial names can be entered.
- Wild cards (*) should not be used at the end of search strings.
- Wild cards may be used before or within search strings. (*son,Gr?y)
- The asterisk * should not be used by itself. It will search ALL records in the database and use unnecessary system resources.

- ◆ In this lesson, we will enter the debtor's last name and click [**Search**].

NOTE: The entire name of businesses resides in the **Last/Business** field. Therefore, for business filings, entering the first part of the name may be sufficient to find a match.

STEP 5 If there are no matches, the system will return a **No Person Found** message. (See Figure 5a.)

The screenshot shows the CM/ECF search interface. At the top, there is a navigation bar with links for Bankruptcy, Adversary, Query, Reports, Utilities, and Logout. Below the navigation bar, the search form is titled "Search for a debtor". It contains input fields for SSN, Tax Id, Last/Business name, First Name, and Middle Name. There are "Search" and "Clear" buttons below the input fields. Below the search form, the text "Party search results" is displayed, followed by "No person found." and a "Create new party" button.

Figure 5a

NOTE: Your name search may find more than one record having the same name as shown in **Figure 5b**. Clicking on each of the names will display a window showing the party's address information for verification.

If none of the addresses are correct for this party, you can either 1.) modify the address (for this case only) on the following PARTY INFORMATION screen, or 2.) click on the **[Create new party]** button to add a new person record with this address.

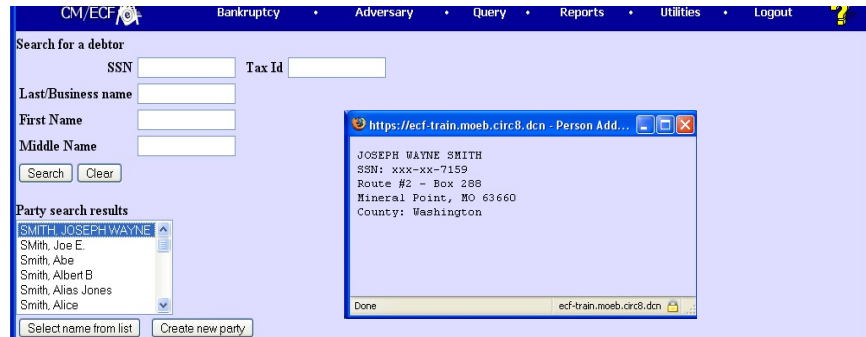

Figure 5b

◆ Once you have tried alternative searches and determined that the party is not already on the database, you can add them to the database. Click **[Create New Party]**.

STEP 6 The **PARTY INFORMATION** screen displays. (See **Figure 6**.)

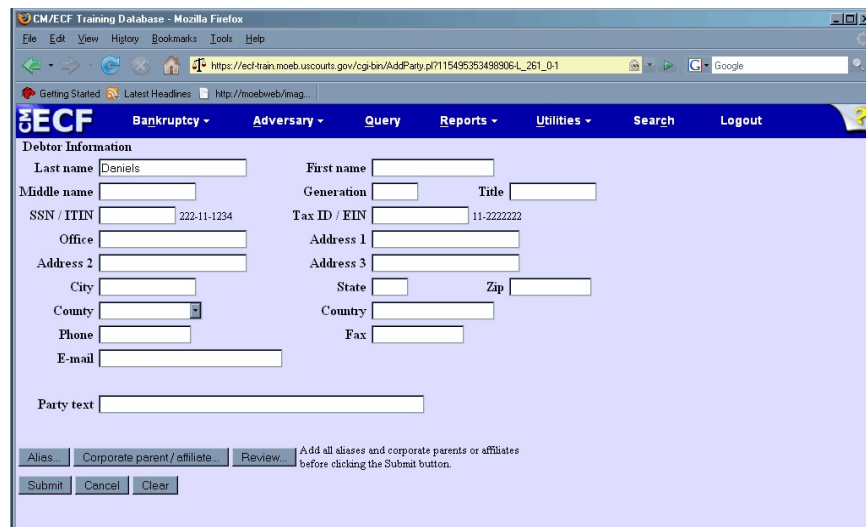

Figure 6

- ◆ Enter the debtor’s **Name** and **Address** information in the appropriate boxes . (For this lesson, our debtor is Walter Daniels.)

NOTE: Do not use special characters such as parentheses, brackets, or percent signs. These codes may cause problems with the BNC noticing program.

- ◆ Select the debtor’s **County** of residence from the pick list box. List will contain all counties for the state you enter.

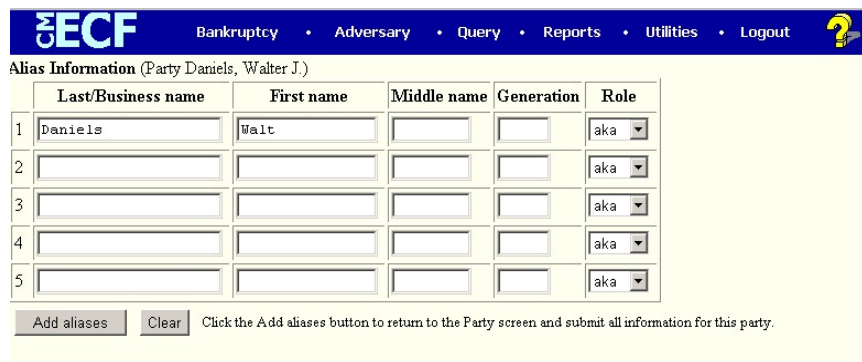

NOTE: Type the first letter of the county name for a faster search.

- ◆ Enter further descriptive text for the debtor in the **Party text** field, if appropriate (such as A Connecticut Corporation, Guardian of the Estate, etc.)

- ◆ It is not necessary to add the attorney representing the debtor. Because you are the filing attorney, your name will be linked to the party you are representing automatically at the end of this transaction. Your login will furnish your attorney information to the system.

- ◆ If the party has an alias, click the **[Alias]** button.

STEP 7 The **ALIAS** screen appears. (See Figure 7.)

ECF Bankruptcy • Adversary • Query • Reports • Utilities • Logout ?

Alias Information (Party Daniels, Walter J.)

	Last/Business name	First name	Middle name	Generation	Role
1	Daniels	Walt			aka
2					aka
3					aka
4					aka
5					aka

Click the Add aliases button to return to the Party screen and submit all information for this party.

Figure 7

- ◆ You can enter up to five alias names at a time. **Alias Role** selections include aka, dba, fdba, fka, and nka.
- ◆ Click **[Add aliases]**.

STEP 8 The **PARTY INFORMATION** screen reappears. (See Figure 8.)

The screenshot shows the 'Debtor Information' form in the CM/ECF system. The form is titled 'Debtor Information' and contains several input fields. The 'Last name' field is populated with 'Daniels'. Other fields include 'First name', 'Middle name', 'Generation', 'Title', 'SSN' (with the value '222-11-1234'), 'Tax ID', 'Office', 'Address 1', 'Address 2', 'Address 3', 'City', 'State', 'Zip', 'County', 'Country', 'Phone', 'Fax', 'E-mail', and 'Party text'. At the bottom of the form, there are buttons for 'Alias...', 'Corporate parent...', 'Review...', 'Submit', 'Cancel', and 'Clear'. A note below the 'Review...' button states: 'Add all aliases and corporate parents before clicking the Submit button.'

Figure 8

- ◆ Clicking on the **[Review]** button at any time presents a screen summarizing the attorney and alias activity for this debtor. (See **Figure 9.**)

The screenshot shows the 'Review attorneys, aliases and corporate parents' screen. At the top, it displays the name 'Walter J. Daniels' and a link 'Uncheck to remove from list'. Below this, there are three sections: 'Attorneys added:' (None added), 'Aliases added:' (with a checked checkbox for 'Daniels, Walt (aka)'), and 'Corporate parents added:' (None added). At the bottom, there are buttons for 'Return to Party screen' and 'Clear'.

Figure 9

- ◆ Verify the information.
- ◆ Be careful about clicking the **[Clear]** button. You could accidentally delete information.
- ◆ Click **[Return to Party Screen]**.

STEP 9 The **PARTY INFORMATION** screen will return again as shown in **Figure 8a**. If you are finished adding information for this new party, click **[Submit]** to continue with Case Opening.

NOTE: If this were a joint debtor filing, a **JOINT DEBTOR PARTY** screen would appear next.

STEP 10 Next, the system will display a screen confirming the assignment of the Divisional Office code. The assignment is based on the county code or zip code of the debtor. (See Figure 10.)
